

Product Parts

- 2 - Dowels (A)
- 1 - Chair Frame (B)
- 1 - Chair Seat (C)
- 1 - Chair Back (D)

Chair Assembly

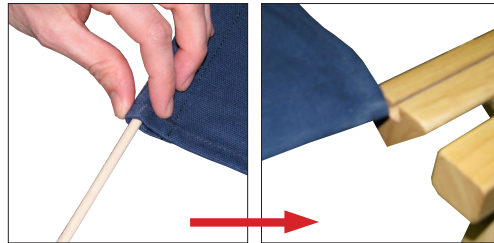

Step 1

Remove frame (B) from shipping box, set upright and partially extend.

Step 2

Slide dowels (A) into pockets on chair seat (C). Slide chair seat (C) into chair frame (B).

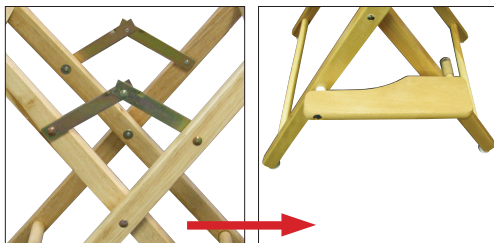

Step 3

Rotate arm rests to upright position, and slide the chair back (D) onto chair frame (B).

Step 4

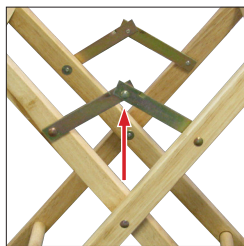

Fully extend chair frame (B) and push down on both hinges under the seat to lock. Foot rest will stop in a flat, horizontal position.

Disassembly

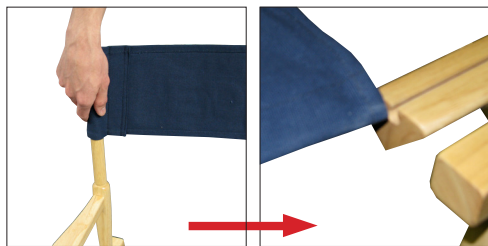

Step 1

Lift up on both hinges under the seat to unlock and partially collapse frame.

Step 2

Slide the chair back (D) off the chair frame (B) and then slide chair seat (C) off chair frame (B). Leave the dowels (A) in the chair seat (C) pockets for quick set-up next time.

Step 3

Fully collapse frame and place in shipping box for storage.

Storage

Store in a cool, dry place, away from direct sunlight.

Care

Wipe clean with a damp cloth.

Warranty Information: All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a 'one year parts and labor' warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion.
