Steel Folding Base with 4 Independently
Locking Ball Bearing Rubber Wheels

The CiÊRA EZ Fold™ Mobile Portable Flat Panel TV/Monitor stand offers modular light weight anodized aluminum truss sections that easily assemble without the use of tools. All assembly screws are embedded in the truss and are tightened with a few turns of the column. Includes a Universal VESA TV Interface Bracket for VESA 100x100 to 400x400.

The CiÊRA EZ Fold™ Mobile measures 82 inches from the Top Component Shelf to the floor. Four Ball Bearing rubber Lockable Wheels provide smooth movement on virtually any surface. The assembled stand weighs just 49 pounds. Adjustable monitor height at 65 and 69 inches to the approximate center of the TV.

The CiÊRA EZ Fold™ Mobile comes complete with padded nylon carrying cases with shoulder strap. Quick and easy assembly, Universal TV Bracket, light weight and stylish design. *The perfect mobile stand!*
