FEATURES

TWO PIECE COLUMN

Our uniquely designed two piece column allows the complete StandTall ONE™ to be packed into one light weight padded carrying case. The column assembles in seconds with single thumb screw.

CABLE MANAGEMENT

Rear Column Cable Port

Internal Column Cable Management conceals all cables through center of column and exits through bottom cable port.

STABILITY AND STRENGTH

Steel reinforced base provides strength while four individually locking ball bearing rubber coated wheels provide smooth movement on virtually any surface.

Base Dimensions 31.5 x 23.5 x 1"

Newly Designed EZ StandTall Mobile ONE™ Portable Flat Panel Floor Stand

For flat panel displays between 28-60 Inch Diagonal

The StandTall ONE™ flat panel TV stand is 60 inches high from the top of the column to the bottom of the low profile base. The CiÊRA StandTall ONE™ is made of light weight anodized aluminum (column) and MDF Base. Assembles in just minutes with minimal use of (included) tools. Support for up to two optional column accessories. Quick and easy assembly, light weight with a sleek modern design. Universal Interface Bracket included.
