

32 inch Charging Kiosk (White)

Features

Camera

Make your event virtually interactive with live chat and live stream capabilities.

Windows 10 Pro/Android

Simple, flexible management. Windows 10 Pro simplifies identity, device and application management so you can focus on your business.

Anti Bacterial Screen

Antibacterial screen protector kills germs on the device display.

Customizable Branding

Build solid, lasting connections between your visitors and your brand.

Multitouch - 10 Point Touch

Multi-Touch technology works with touch-screen interfaces, like those found on laptops, smartphones and tablets.

WiFi Ready

Not only do we give you everything you need to be successful, we also allow you to easily hide wires and cables.
